Overview of Week 8: Divide-and-Conquer Algorithms

Read these sections from the textbook: §12.1 - 12.3

Divide-and-Conquer Algorithms
      A. Array Sum
      B. Mergesort
      C. Quicksort
      D. Height of Binary Tree
      E. Binary Tree Traversals
            E1. Preorder Traversal
            E2. Postorder Traversal
            E3. Inorder Traversal
            E4. Levelorder Traversal
